

helping you on your way

Volkswagen Caddy Maxi REC

- European Type Approval issued by Dutch Department of Transportation (RDW)
- Official Volkswagen approval
- The center part of rear bumper will be replaced on hatch extension, thus maintaining the original look
- Modified fuel tank and exhaust system to accommodate a deep and level lowered floor
- Possibility to place one or two swivel seats on the third row
- Generous dimensions for the wheelchair passenger, giving good all round visibility
- By extending the tailgate, the lowered floor is perfectly sealed off

helping you on your way
